## Calendar Update

Please see the attached updated calendar. We have had to change most of our special activities due to COVID restrictions, however we are trying to modify them so we can still have fun!

## Weather

With the colder weather here now, please send your child in warm clothes as we will continue to go outside as often as possible. Please have all items labeled with your child's name, and make sure that their extra change of clothes is weather appropriate.

Thank you!

## Special Thanksgiving Days

Since we are unable to do our usual Feasts this year, we have planned two special days the week of Thanksgiving. On Monday, Nov. 23rd we will have a fun Thanksgiving morning snack in all classrooms! On Tuesday, Nov. 24th we will have a pajama day and each class will watch a movie in their room.
